City of Hannibal
Hannibal, Missouri

Gentlemen:

During the Civil War, Hannibal issued its own paper money for small change approved by an ordinance of the City Council dated November 17, 1862.

Would it be possible for you to look in the old records of the city and send me a copy of that ordinance.

I am doing some research on money issued in the State of Missouri and wanted to obtain the background for this issue.

Thank you for your cooperation.

Sincerely yours,

Dear Mr. Littlefield:

Thank you, very much, for the photocopy of the 10¢ Hannibal note. I appreciate your cooperation in sending it to me.

I enjoyed talking to your wife about the matter and I hope that she will enjoy collecting as much as the rest of us do.

I will find my Alaska token, shortly, and advise you with respect to it.

Sincerely yours,

ERIC P. NEWMAN

Mr. and Mrs. Charles Littlefield

Dear Littlefields:

Unfortunately we did not get together in New Orleans but I located and had with me two Drovers Hotel tokens from St. Louis.

Fuld 910A-2a (H G #4705) Unc. red dated 1862

Fuld 910A-3a (H G #4706) X F dated 1863

Since you were seeking these, I thought you might exchange them with me for your Hannibal 10¢.

Let me hear from you.

Sincerely yours,

Mr. Charles Littlefield

Dear Mr. Littlefield:

When I recently received the list from the Civil War Token Society I noticed your name on it and this reminded me of your interest in Missouri tokens.

You will recall we were talking about some kind of exchange for the Hannibal scrip which you and your wife obtained. Would you be nice enough to telephone or write me. I would have telephoned you, but do not have your telephone number.

Kindest regards,

Eric P. Newman
